

St. Columba's RC Primary
Parents' Evening - February 2016

Analysis - 122 responses

Thank you for attending tonight's Parent-Teacher consultation evening. We hope you found your appointment with your child's teacher(s) useful. Parents' evenings are an integral part of the system of keeping you as parents informed as to the progress and attainment of your child. We are very keen to receive any feedback you may have. Please complete the form below and pop it into the box in the hall.

If you have any further comments or any suggestions that you feel might be helpful to the school in developing our parents' evenings, please indicate them below.

- In a time when the ways in which we assess and report attainment and progress are changing, it is encouraging to see that the parents at our school are largely in agreement that the teachers at St. Columba's are sharing this information as clearly as possible.
 - We envisage as a school, that this National picture will be clearer towards the end of this academic year. This will enable us to have a clearer understanding of the potential, National attainment targets expected for children in Y2 and Y6.
 - Please see the comments below for all additional information given in response to feedback, both positive and constructive. Constructive feedback is in bold.
- Thank you for your time and valuable feedback.
