

## English

We will be writing a three part narrative, using a short film as stimulus.

The children will learn how to develop their sentences, using prepositions, adjectives, adverbs and strong verbs.

They will know how to build up the atmosphere of a significant event in the story as well as describing the relationship developing between the characters.

We will use our knowledge of the Anglo Saxons to write a Newspaper report using headlines and quotes.

## Maths

Length and perimeter

- Finding the perimeter of rectangular shapes
- Perimeter of polygons

Fractions- Finding fractions of amounts

- Understand improper fractions
- Convert mixed numbers to improper fractions
- Compare and order fractions
- Add and subtract fractions

Continue to practice times tables and the inverse operation

## PSHE Mental Health MELVA

Recognising our behaviour during stressful situations and working out strategies to address them

## Year 4 Spring Term 2 Curriculum Overview

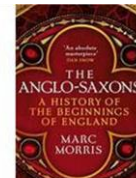

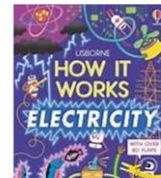

## Science

'Electricity' In this unit we will learn:

- Where does electricity come from?
- Safety when using electricity
- The use of mains and battery electricity
- The components of a circuit and their symbols
- How to make a circuit using various components
- Know which materials are conductors or insulators

Learning about how electricity is produced, how to make a circuit and the safety aspects of using electricity

## Humanities

In History we will be learning about the Anglo Saxons In History this half term we are learning about the Anglo Saxons

- Why did they come to Britain?
- What evidence do we have of how they lived?
- How and why did they convert to Christianity?
- What did they leave behind for us?

We will learn about their craftsmen and the achievements of their time
