

## Remote Learning Scenarios EYFS and Y1

Scenario	Pupils will receive...	Sent via...	Home Learning Activities	Pupils should...	Staff will...
<p><b>Individual pupils isolating</b> due to:</p> <ul style="list-style-type: none"> <li>- showing symptoms</li> <li>- waiting for test outcome</li> <li>- family circumstances.</li> </ul> <p>Other class members continue to be educated at school WITH their usual class teacher.</p>	<p>Home Learning activities regularly, including some practical suggestions for learning at home.</p> <p>These will begin the day AFTER they have informed school that they will be isolating.</p> <p>For children at home awaiting a test outcome, this will begin AFTER confirmation of a positive test for themselves or a family member.</p>	<p>Individual home learning email accounts, by class teachers, using the log in provided.</p> <p>homelearningNS@ homelearningREC@ homelearningY1@ stcolumbasprimary.co.uk</p>	<p>Home Learning activities will be as similar as possible to those which their class completed the previous day. However, this will vary depending on the current topic/resources provided.</p> <p>The activities will contain the relevant curriculum content and level of challenge for that time of the academic year.</p>	<p>Pupils isolating should complete work at home.</p> <p>Evidence (including photographs) can be emailed within a suitable time period.</p>	<p>Save this work on SeeSaw under 'Home Learning' and the pupil's individual file.</p> <p>Offer simple feedback and support via email or telephone call, as appropriate.</p> <p>As class teachers have a full-time teaching commitment on site, this may not be daily.</p>

<p><b>Groups of children</b> asked to isolate due to a positive case.</p> <p>Other class members continue to be educated at school WITH their class teacher.</p>	<p>Home Learning activities regularly, including some practical suggestions for learning at home.</p> <p>These will begin the day AFTER they have been asked to isolate by school or NHS Track and Trace.</p>	<p>Individual home learning email accounts, by class teachers, using the log in provided.</p> <p>homelearningNS@homelearningREC@homelearningY1@stcolumbasprimary.co.uk</p>	<p>Home Learning activities will be as similar as possible to those which their class completed the previous day. However, this will vary depending on the current topic/resources provided.</p> <p>The activities will contain the relevant curriculum content and level of challenge for that time of the academic year.</p>	<p>Pupils isolating should complete work at home.</p> <p>Evidence (including photographs) can be emailed within a suitable time period.</p>	<p>Save this work on SeeSaw under 'Home Learning' and the pupil's individual file.</p> <p>Offer simple feedback and support via email or telephone call, as appropriate.</p> <p>As class teachers have a full-time teaching commitment on site, this may not be daily.</p>
<p><b>Groups of children AND class teacher</b> asked to isolate due to a positive case.</p> <p>Other class members continue to be educated at school with another teacher.</p>	<p>Home Learning activities regularly, including some practical suggestions for learning at home.</p> <p>These will begin the day AFTER they have been asked to isolate by school or NHS Track and Trace.</p>	<p>Individual home learning email accounts, by class teachers, using the log in provided.</p> <p>homelearningNS@homelearningREC@homelearningY1@stcolumbasprimary.co.uk</p>	<p>Suggested learning activities for pupils isolating will also be emailed to the teacher who is covering the class.</p> <p>The activities will contain the relevant curriculum content and level of challenge for that time of the academic year.</p>	<p>Pupils isolating should complete work at home.</p> <p>Evidence (including photographs) can be emailed within a suitable time period.</p>	<p>Save this work will be saved on SeeSaw under 'Home Learning' and the pupil's individual file.</p> <p>Class teachers will offer simple feedback and support via email or telephone call, as appropriate.</p> <p>This will be done daily as the class teacher does not have a full-time teaching commitment onsite.</p>

					However, emails received out of hours will not be answered until the following working day.
<p><b>Whole class, including class teacher, asked to isolate</b> due to a positive test case.</p> <p>That class or pod is closed so all class members will be educated remotely.</p>	<p>Home Learning activities regularly, including some practical suggestions for learning at home.</p> <p>These will begin the day AFTER they have been asked to isolate by school or NHS Track and Trace.</p>	<p>Individual home learning email accounts, by class teachers, using the log in provided.</p> <p>homelearningNS@homelearningREC@homelearningY1@stcolumbasprimary.co.uk</p>	<p>The activities will contain the relevant curriculum content and level of challenge for that time of the academic year.</p>	<p>Pupils isolating should complete work at home.</p> <p>Evidence (including photographs) can be emailed within a suitable time period.</p>	<p>Save this work on SeeSaw under 'Home Learning' and the pupil's individual file.</p> <p>Class teachers will offer simple feedback and support via email or telephone call, as appropriate.</p> <p>This will be done daily as the class teacher does not have a full-time teaching commitment onsite.</p> <p>However, emails received out of hours will not be answered until the following working day.</p>
<p><b>Class teacher becomes unwell whilst isolating</b> and is unable to provide work for isolating pupils.</p>	<p>Home Learning activities set by other pod staff wherever possible.</p> <p>If no suitable pod staff are able to take on this responsibility, the pre-prepared Homework Menu will be sent.</p>	<p>Individual home learning email accounts, by class teachers, using the log in provided.</p> <p>homelearningNS@homelearningREC@homelearningY1@stcolumbasprimary.co.uk</p>	<p>Emergency Homework Menus will be stand alone, topic-based learning and will include longer projects or research tasks.</p>	<p>Pupils isolating should complete work at home.</p> <p>Evidence (including photographs) can be emailed within a suitable time period.</p>	<p>Work can be acknowledged as received, however, feedback will be minimal until the class teacher is back to full time work.</p>

<p><b>Class teacher isolating due to personal circumstances,</b> but all pupils continue to be educated on site with another teacher.</p>	<p>Regular learning in the classroom, delivered by an alternative pod or supply teacher.</p> <p>Timetable/tasks set by the class teacher, unless circumstances dictate otherwise.</p>	<p>Email to the teacher covering the class.</p>			<p>Review how learning is going with the teacher covering that class and make necessary adjustments.</p>
