

WELCOME TO OUR NEWSLETTER

Your School Meals Provision

Dear Parent /Carer,

We are delighted to inform you that Mellors Catering Services will be providing catering at St. Columba's School from 1 April 2022. We look forward to be working with the staff and parents to encourage more children to choose a nutritional meal at school.

Notice

All pupils at KS1 level are automatically entitled to Universal Infant Free School Meals. More information will follow with regard to signing up to Universal Free School Meals.

DANIELLE

Our Company

Nutritionists TIPS:-

1: Adding vegetables into the main meal is a great way to ensure you have your 5 a day intake

2: We should try food items at least 10 times before we say we don't like them.

Pupil Forum

We will be introducing a Pupil Forum for those pupils who wish to represent their class and help develop the menu choices. We would like them to work closely with the kitchen staff to taste samples of new food to help put together the new summer menus!

Encouraging a Healthy Diet

We can't wait to be an integral part of school life and look forward to the opportunity to deliver fun healthy eating assemblies, bread and pasta cookery lessons and attending school parents evenings to answer any queries you may have about school lunches.

We have a Mellors Big Red Bus that will also be making a trip to the school in the future... Beep Beep!!

Feedback

The onsite catering team welcome any suggestions you may have regarding menu choice, and we invite you to come and speak to us about any specific dietary requirements your child may have.

Please either speak directly with your school and your school catering team.

We look forward to continuing to build a healthy school meal relationship with you all and serving your child great, tasty food.

News.

Did you know that we only use semi skimmed milk, low fat mayonnaise and low fat yoghurt in all of our recipes and dishes we provide to the pupils.
