Introduction

“At St. Columba’s R.C. Primary School we will endeavour to follow the example of Jesus Christ by loving, respecting and forgiving all”

(Our Mission Statement)

At St Columba’s, our ethos ensures that we promote a caring, loving and safe environment for all. We want our pupils to feel secure, valued and respected. Incidents of bullying are not tolerated, and any known incidents of bullying will be responded to quickly and efficiently. We aim to work together with pupils, parents and carers to resolve and prevent incidents of bullying.

Within school, we provide all children with the knowledge and understanding to enable them to recognise bullying and respond in a positive and appropriate manner. In addition, we ensure that all parents and carers are kept up to date with anti-bullying information.

We recognise and respond to the following legislation in this policy: Equal Opportunities Rights, Education Act 2002, Human Rights 1998, Health and Safety at Work Act 1974, The Local Government Act 2000, Disability and Discrimination Act 2003, Anti Social Behaviour Act 2003, Equality Act 2010. We also refer to guidance from Working Together to Safeguard Children 2019.

Reference to other policies

This anti-bullying policy has been written with reference to our other school policies. These policies include, but are not limited to: Child Protection, Safeguarding, Behaviour, Equality, Equal Opportunities, Healthy Schools, Health and Safety, School Development Plan, Our Mission Statement.

What is Bullying?

At St Columba’s we feel that it is important to teach children the definitions of bullying. In this way, they can identify when bullying is occurring and respond appropriately. It is also important for children to recognise that although an accident or isolated incident may be hurtful it is not a form of bullying.

Bullying is:

- **a sustained or repeated action taken by one or more children, with deliberate intent to harm.**

This behaviour results in having a negative effect on the emotional or physical well-being of the child. Types of bullying include, but are not limited to: verbal, emotional, physical, cyberbullying or discrimination. This definition was produced in consultation with staff, school council representatives and the whole student community.

Children and parents of St Columba's can be assured that we do not tolerate bullying of any form. As our Catholic ethos underpins all decisions in our school, we believe that each individual deserves respect as we are all unique, created in God's image and called to work for the common good. Therefore we do not tolerate discrimination of any of the nine protected characteristics: age, disability, gender reassignment, marriage/civil partnership, pregnancy/maternity, race, religion or belief, sex, sexual orientation as stated by the Equality Act 2010.

Bullying is not:

- **one off, rude or mean behaviour.**

Whilst this is sometimes hurtful to an individual, it is not bullying if it is not repeated over time **and** deliberately intended to harm.

Raising Awareness

At St Columba's, we have ongoing strategies to raise the profile of anti-bullying within our school community:

- Our anti-bullying policy is available to read on our school website and a hard copy can be given to parents/carers on request
- The school have links to services and organisations that may be given to parents/carers in response to specific needs such as: Clennell Education Solutions, NSPCC, Kidscape, Next Steps Counselling
- Our school assemblies highlight the importance of love, respect and care for one another
- The school council 'Anti-Bullying' team have developed and shared their own pupil friendly policy which has been shared with the whole school community
- Pupil Perception Surveys and Parental Questionnaires collect the views of pupils and parents within our school community
- Staff meetings focus on anti-bullying and mental health
- As a school, we support 'Anti-Bullying Week'

- We promote diversity and respect within daily school life, in lessons and clearly on our displays
- We promote a strong pupil voice through our School Council, in our class assemblies and in our weekly newsletters
- If there are incidents of bullying, we offer nurturing sessions to support both victims and those accused of bullying

A Positive Approach

Pupils are educated and informed to support understanding of the definition of bullying and how we at St Columba's implement our Anti-Bullying policy.

They are aware of how to keep themselves safe and also know strategies to help friends or peers in need of support through positive promotion of 'bystander awareness.'

Children are taught the value of friendship and how to treat others with mutual respect. They will recognise their own fears, insecurities and worries, and value themselves and others as individuals. Self-esteem and behaviour lessons will be taught in conjunction with behaviour and safety issues and not be viewed as separate topics.

Consistency by all staff on agreed strategies must be implemented without exception to ensure the policy aims are met.

Responding to Incidents of Bullying

Responsibilities of Staff:

Our staff will:

- Foster in our pupils self-esteem, self-respect and respect for others
- Demonstrate by example the high standards of personal and social behaviour we expect of our pupils
- Discuss bullying with all classes, so that every pupil learns about the damage it causes to both the child who is bullied and to the bully and the importance of telling a teacher about bullying when it happens
- Be alert to signs of distress and other possible indications of bullying
- Listen to children who have been bullied, take what they say seriously and act to support and protect them
- All staff on duty will respond to reported incidents by speaking to all parties concerned

- Report suspected cases of bullying to the class teacher in the first instance and in the weekly incident log which is shared with all staff
- Follow up any complaint by a parent about bullying, and report back promptly and fully on the action which has been taken
- Deal with observed instances of bullying promptly and effectively, in accordance with agreed procedures
- Record all incidents of suspected bullying

Responsibilities of Pupils:

We expect our pupils to:

- Refrain from becoming involved in any kind of bullying, even at the risk of incurring temporary unpopularity
- Report to a member of staff any witnessed or suspected instances of bullying, to dispel any climate of secrecy and help to prevent further instances
- Not suffer in silence, but have the courage to speak out, to put an end to their own suffering and that of other potential targets
- Speak to a member of staff prior to home time on the day that the incident has occurred in order for it to be logged and reviewed

Responsibilities of Parents/Carers:

We ask our parents to support their children and the school by:

- Watching for signs of distress or unusual behaviour in their children, which might be evidence of bullying
- Advising their children to report any bullying to their class teacher in the first instance, or another trusted adult in school
- Explain the implications of allowing the bullying to continue unchecked, for themselves and other pupils
- Advising their children not to retaliate to any forms of bullying
- Being sympathetic and supportive towards their children, and reassuring them that appropriate action will be taken
- Informing the school of any suspected bullying, even if their children are not involved
- Co-operating with the school, try to ascertain the truth and resolve the situation
- Respect confidentiality of all parties involved, including pupils, parents and staff in line with St. Columba's Home School Agreement

All staff should respond to wider class incidents, as they see fit, during PSHE lessons, in quality circle time, in class collective worship, in Key Stage or whole school assemblies or during whole class discussion.

Child on Child Abuse

A clear boundary between incidents regarded as abusive and incidents regarded as bullying is a matter of professional judgement. Designated Safeguarding Leads and North Tyneside Front Door service can offer information or guidance to help staff if they feel that they are unable to make a judgement.

Child on Child abuse can appear in many forms and include, but are not limited to: physical abuse, sexual abuse, emotional abuse, sexual exploitation, bullying or radicalisation.

Incidents of suspected Child on Child abuse must be immediately reported to the Headteacher (DSL) or Deputy Safeguarding Lead following the procedures outlined in the Child Protection and Safeguarding policies.

Help and advice for parents, pupils and staff may be sought from our external Safeguarding Advisors – Clennell Education Solutions.

Monitoring and Review

The Headteacher, governors and staff will regularly review and monitor the implementation of this policy. Any changes will be shared with staff, parents and pupil representatives.

This policy will be formally reviewed again in Spring 2024.
